ADVANTAGE & FEATURES

GLITERA

Nature, technology, science and design. Top quality ceramic surfaces are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C.The best choice, for durability, safety, hygiene and beauty.
Versatile Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe & Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.
Design Varaities

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
