ADVANTAGE &  
FEATURES

Nature, technology, science and design. Top quality ceramic surfaces are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

**Versatile  
Size**

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

**Safe &  
Secure**

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

**Design  
Varieties**

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

**More  
Sustainable**

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
