

GLITERA

High Gloss

600 x 1200MM

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces by Pollens Granito are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile
Size

Available in the grand size the collection presents you with a perfect tiling solution to create seamless interiors

Safe &
Secure

Nonporous hygienic stain and scratch protected the tiles from this collection are also ice and thermal shock resistant

Design
Varieties

Available across a spectrum of patterns the collection offers variety for all kinds of spaces and preferences

More
Sustainable

The collection is made from exceptionally durable and recyclable materials giving it an edge with its ecological and eco-friendliness
